## 2017 CSA “Member Market” Season Application

I would like to join Fair Weather Farm at Fairhill’s Community Supported Agriculture Program (CSA). This program allows me, as a member, direct access to farm fresh produce during the harvest season.

Based on my pre-payment, I understand that the farm will do it’s best to provide a bounty of fine produce during its 24 week “Mix and Match” Market Style Program. I may come as often as I want (based on FWFF’s hours of operation) and select as much produce as I require. The “discounted” cost of the produce I select will be deducted from my pre-payment balance based, on below program selected.

*By subscribing to Fair Weather Farm at Fairhill CSA Program I understand the produce is based on availability of harvest. I share the risks and rewards of the growing season. I am willing to accept the conditions the farm is faced with as part of my own risk. Fair Weather Farm at Fairhill is not responsible for Acts of God. I further understand that no full or partial refunds are offered during the season, as my pre-payment covers the farms upfront costs for seeds, supplies, equipment, maintenance, labor, etc. Any remaining balance DOES NOT carry over into the following CSA season.*
